established between German and  
Mexican ports.

The United States Congress will  
deserve severe criticism if it fails to  
pass a law to punish sedition. Sedition  
is treason and treason is one of  
the greatest offenses against a Govern-  
ment.

Notice A. G. Webb's advertisement  
in our Want Column. He has a good  
farm to rent, which should interest  
some good farmer.

J. C. Ziegler was in Wednesday  
from Knapp and said he must have  
the Signal and Dallas News.

The people of Round Top school  
have never yet been supplied with  
their quota of school books.

the Signal and Dallas News. Mr.

## GET READY FOR "FLU"

Keep Your Liver Active, Your  
System Purified and Free From  
Colds by Taking Calotabs,  
the Nausealess Calomel  
Tablets, that are De-  
lightful, Safe and  
Sure.

Physicians and Druggists are advis-  
ing their friends to keep their system  
purified and their organs in per-  
fect working order as a protection against  
the return of influenza. They know  
that a clogged up system and a  
liver favor colds, influenza and other  
complications.

To cut short a cold overnight and  
prevent serious complications take a  
Calotab at bedtime with a swallow  
water—that's all. No salts, no nausea,  
no griping, no sickening after effect.  
Next morning your cold has vanished.  
Your liver is active, your system is pur-  
ified and refreshed and you are feel-  
ing fine with a hearty appetite for breakfast.  
Eat what you please—no danger.

Calotabs are sold only in original  
sealed packages, price thirty cents.  
Every druggist is authorized to refund  
your money if you are not perfectly  
delighted with Calotabs.—(Adv.)

It is now believed that General  
Pershing may be the Republican  
nominee for president. Then if the  
Democrats decide to draft Mr. Hoover  
it will be some race and as for quali-  
fication, we are taking chances.

### "DAWN" COMPELLING HEART INTEREST STORY OF YOUTH

When Eleanor H. Porter wrote  
"Dawn", she wrote a compelling,  
heart-interest story, and when J.  
Stewart Blackton took story told Stan-  
ley Olmstead to adapt it for the screen  
then took his two young stars, Sylvia  
Breamer and Robert Gordon sur-  
rounded them with an ace high cast,  
and set out to translate it into mo-  
tion pictures, he produced a com-  
pelling, heart-interest photoplay.

Like all of Miss Porter's fascinat-  
ing stories, "Dawn" is a story of  
youth. Keith Burton becomes blind  
as a result of an accident in his boy-  
hood. Blindness to Keith seemed to  
mean the end of all things, for he  
was a painter. Blindness also meant  
the loss of her whom he lived for  
had not she one day said she hated  
the sight of blind people?

"If only they would try to help in-  
stead of pitying me and constantly  
reminding me that I'm blind," Keith  
moaned. "If only they would help!"  
What magic there was in the capa-  
ble hands of the nurse who "helped"  
him see with his hands and with his  
soul. What happiness when that  
sympathy and understanding was  
found to pour from the loving heart  
of the girl he thought he had lost!  
"Dawn" is the Blackton-Pathe pro-  
duction showing Monday and Tues-  
day at the Cozy Theatre. Miss Breamer  
and Mr. Gordon are supported by  
Flora Finch, Harry Davenport, Jas.  
Furey, Fanny Rice, Eddie Dunn, Gene  
Alexander and many others.

### SERIAL HEROINES HARD TO FIND BUT HER'S A NEW ONE

The law of supply and demand  
rules that those things that are rare  
or scarce are always highly valued  
and much sought after. The Vita-  
graph Company will attest that this  
very natural and reasonable philoso-  
phy is true as far as they are con-  
cerned when it comes to seeking the  
right sort of a serial heroine. Dur-  
ing their broad and long experience  
as producers of serials they have  
found this painfully true many a  
time. It is the rigorous and vigorous  
demand that the serial photoplay  
makes on its cast that has made this  
so. Special and unusual qualifica-  
tions, besides being able to stand the  
gaff, must be the possessions of  
those who would play the leading  
feminine roles in serials. For that  
reason the supply has always been  
scarce. You can't have a properly  
flavored and successful serial unless  
you have daredeviltry and action, a  
lot of risk with the romance and  
above all tirelessness and speed.  
It sets a hard and exhausting pace  
for a woman, does the serial. And  
besides, there are few women who  
can run, jump, swim, shoot, row and  
do the score and one other skillful  
strength taxing stunts of the serial  
photoplay.

That is why the serial heroine is  
always hard to get and that is why  
they are always worth while when  
they do arrive. The latest woman  
to break into serials is Pauline Cur-  
ley, known for many years on the  
stage and on the screen. She will  
make her debut in "The Invisible  
Hand," a Vitagraph detective serial  
of mystery and romance starring An-  
tonio Moreno, which will be seen at  
the Cozy Theatre beginning Wednes-  
day and for fifteen weeks thereaf-  
ter.

This country is enjoying a season  
of prosperity and most people are  
cleaning up their old debts and some  
are beginning to reach out for pur-  
chaseable enjoyments which they have  
had to forego for several years. The  
hard times have taught us all lessons  
of economy and many will continue  
to practice these lessons to some ex-  
tent and will thereby build up a sub-

stantial surplus to sustain them  
should years of adversity come again.  
But some will forget the past and will  
grow into practices of indifference  
and even extravagance and spend  
their money for everything for which  
fancy may call. Now, see if that isn't  
true.

Mrs. E. L. Hutcheson has returned  
from Weatherford where she has  
been to nurse her mother who got  
one of her limbs broken two weeks  
ago.

If you desire Boren & Erwin to  
compile your income tax reports,  
please come in at once as our blanks  
have now arrived.

County Superintendent Howell  
visited the school at Ira Thursday  
and says that school is in good hands  
and starting out nicely. They are  
short on text books.

If congress refuses to pass a dra-  
matic sedition law and modifies the  
immigration law so as to admit all  
sorts of foreigners so this country  
to say and do what ever they please  
in opposition to the American institu-  
tions then it would logically follow  
that Victor Berger should be ex-  
onerated and the bolsheviks, I. W.  
W's. and Anarchists who were fired  
out of this country should be brought  
back and coddled. If we are going  
to turn the government over to bomb  
throwers and their friends, then do  
it and go to the bad on short notice.

Mr. J. B. White, of Terrell, has  
been in Snyder this week and made  
a substantial call on the Signal. He  
says the West Texas folks have all  
the money this year and he wants to  
read about what they are doing.

Mr. and Mrs. Frank Brooks have  
moved back to Snyder from Claren-  
don and just now Mrs. Brooks is  
sick at the home of her parents Mr.  
and Mrs. W. T. Thompson. They will  
live in the Loyd Mountain com-  
munity.

J. C. Snuffer of Camp Springs  
was in Snyder Tuesday and reports  
all quiet in that halliwick.

M. W. Bavouset came in from Camp  
Springs Monday and had his Signal  
date moved up a notch.

To avoid delay and consequently  
a penalty, please turn in your report  
at once, as our income tax blanks  
have now arrived and we will be  
pressed for time to handle them.

Miss Lois Cunnutte entertained a  
number of her friends at her home  
Saturday evening.

## Notice To The Public

We have purchased the Garage business known  
as the Woody Motor Company, at the old Boles  
garage stand, and will operate a garage at the  
same stand, beginning February 1st.

We shall do only a cash business as we believe  
this to be the best policy. We can operate on a  
less margin of profit, and will thus save money,  
as we will not have to tack on additional charge  
to cover bad accounts.

It shall be our policy to carry a stock of tires,  
tubes and accessories of proven quality, as cheap,  
shoddy stuff is dear at any price.

In the shop we shall employ men who are prac-  
tical, reliable mechanics, on whom you can depend  
for honest work. Mr. Melvis Neal will be in  
charge of this department. He believes in thor-  
oughness and if you follow his advice as to the  
repair work to be done on your car and the parts  
to be replaced, we are sure you will be satisfied  
with the finished job. If you are not satisfied, we  
are not.

We will be equipped to charge and repair stor-  
age batteries, also to replace your wornout battery  
with a new one of the best quality.

We shall be compelled to make a charge of 50  
cents per night or five dollars per month for stor-  
age on all cars, this due to the high cost of rent,  
etc.

Give us your custom. It will be appreciated and  
we will treat you right.
